Spotted Gum*

HARDWOOD+

Create an elegant and contemporary interior with the rich colours and individual splendour of our Hardwood+ Australian Species collection. From the splendid variation of Spotted Gum, to the sun filled blondes of Blackbutt, our premium quality timbers are carefully selected to ensure your floor will be a showpiece for years to come. Pairing your choice of either Smooth Gloss or Matt Brushed finish with a square edged profile creates a sleek, timeless look that brings out the unique character of each board.

Quality is assured with our revolutionary 5G locking system, creating unrivalled stability and performance, with no squeaking or gaps. Finished with a world class coating you will have the peace of mind that your floor will be protected for years to come. Should you want to re-finish your floor in the future, the boards can be lightly sanded and re-coated to restore their original glory.

Glue Down or Float - The Choice is Yours

While the 5G locking profile allows Embelton Hardwood+ floors to be floated over most existing subfloors, ask your retailer about gluing down your floor to create a more solid feel underfoot, less noise and reduced expansion requirements.

To Direct Stick or Float?

The Choice is Yours

While the 5G locking profile allows Embelton Hardwood+ floors to be floated over most existing subfloors, ask your retailer about gluing down your floor to create a more solid feel underfoot, less noise, and reduced expansion requirements.

Blackbutt⁺

Direct Stick

Benefits of direct stick installation:

- Superior High End Finish
- Quality Finishes
- Less Problems
- Longevity; Sand and recoat at anytime

Common Problems with Floating Floors

- Excessive expansion & contraction
- Cupping / Peaking
- Tenting
- Deflection
- Creaking

Less Problems with Direct Stick Floors

- Less movement with change in temperature or humidity
- Larger Raft Size
- Less Cupping / Peaking
- Minimal Squeaking
- Minimal Deflection

Quality Finishes

- Caulking instead of C-Channel
- Caulk around Joinery
- Lay the floor at any stage of the build
- Lay larger areas before expansion trims are required

Recommended Adhesives

ULTI-MATE STICK-IT

High Strength Engineered Timber Flooring Adhesive.

BOSTIK ULTRA-SET 3 IN 1

High performing Engineered Timber Flooring Adhesive with inbuilt moisture barrier and sound reduction membrane.

MATT BRUSHED

Hardwood+ colour selection includes 2 Australian Timbers finished in either a Smooth Gloss, Smooth Matt or Matt Brushed.

*Actual colour may differ from images in this brochure
**Alternative specifications may be supplied dependent on stock availability.

MATCHING ACCESSORIES

Depending on various ambient conditions such as humidity, temperature and moisture ingress, all varieties of flooring materials experience continuous expansion and contraction.

To avoid damage to the floor, expansion gaps must be left around the edges of rooms to accommodate this natural movement of the flooring.

Our Z-Profiles, Scotia, and Senior Ends are all designed to bridge this gap and provide a stylish finish to any flooring project.

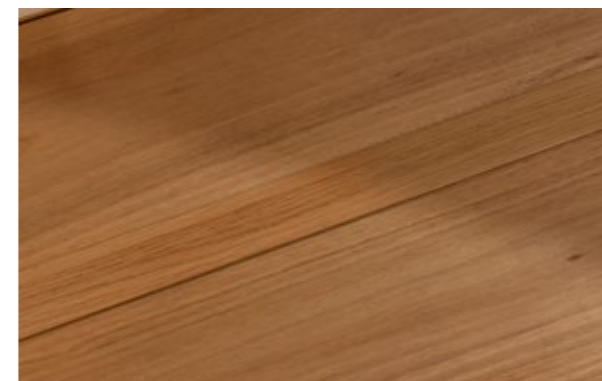

Custom made Stair Nosing

Want your Embelton Hardwood+ floor to extend to your staircase? Embelton provides custom made stair nosing helping to create a seamless look through your home.

Easy To Clean & Maintain

Care & Maintenance

Caring for your Hardwood+ Australian Species floor is easy. Vacuum or sweep the floor to remove dirt and debris, and use a slightly damp (but not wet) mop for regular cleaning. For preventative care, entrance mats and rugs in high wear areas should be considered, together with felt protectors for furniture and appliance legs. Please refer to maintenance details on our website for more details.

Warranty Information

The benefits to the consumer under the warranty are in addition to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to major failure. All expenses related to warranty claims are the responsibility of the consumer making the warranty claim. To download full warranties, please visit www.embelton.com. Warranty Provider GP Embelton & Co Pty Ltd 147-149 Bakers Road (PO Box 207), Coburg VIC 3058 Australia. T: 1800 889 181. E: customerservice@embelton.com
